Nuts' message for *X Factor* Frankie!

We prove the nation's womenfolk are none too impressed by Cocozza's caddish ways!

→ WE'RE LOVING the latest series of *The X Factor*, which is stuffed with more talent than ever – in both musical and totty terms. But we're

finding it harder to warm to young Frankie Cocozza, the cocksure young singer who has the names of all his supposed lady conquests tattooed on his bum.

So *Nuts* decided to teach him a lesson in gallantry by inviting the women of Britain who wouldn't go near him to ink their name on our specially constructed mega-bum. And there were a lot who queued to sign it!

Let this be a lesson to you, Master Cocozza – we respect our ladies here at *Nuts*, and our bum is much, much bigger than yours!

**X FACTOR
BUFFOON'S
BUM NOTE!**

Frankie showed off his backside tattoos on stage before his audition!

BEFORE!

"She's only after me for my body"

"Careful, I'm off clubbing in this later!"

His stag night forfeit had its compensations

BOTTOM LINE!

What the ladies say:

Valerie, Richmond

"If he came back to mine and I saw that, I'd call him a taxi! He'd be straight out of the door!"

Gemma, Notts

"He should be embarrassed. I remember watching it live and immediately being put off."

Holly, Cambridgeshire

"It's grim, tacky and pointless. What a thing to have to show every woman you'll ever sleep with!"

Coral, Reading

"It's sleazy. I wouldn't want to be added to it! He's young and he'll regret it for the rest of his life!"

Olivia, Richmond

"The bum campaign's a fantastic idea! It'll help teach daft-as-a-brush men like this Frankie fellow a lesson!"

AFTER!

"OK, now you're just being cheeky!"

REAR PENNED!

"Designer bikini?
Nah, I made it from

The Man City man spits the dummy – readers respond!

➔ **OH DEAR!** Carlos Tevez is in the news again (well, it makes a nice change from Joey Barton) after he had a hissy fit and refused to go on as a substitute against Bayern Munich, the naughty little sausage.

Now, far be it from us to suggest that when you're paid £286,000 a week to play football, the least you can do is, you know, play football. But what we can do is try to cheer up City fans who may be feeling miffed with some hilarious pics from our readers. Enjoy!

'I think we've sprung a leak!'

Water pipe bursts in Liverpool – and how!

USUALLY, A burst water pipe leads to an unsightly puddle you can drive through and make a big, amusing splash.

However, residents of Huyton, Liverpool (where Joey Barton's from, fact fans), were more inconvenienced when water from a burst pipe erupted through the road and sent a spurt of water 40 feet into the sky.

The subsequent flooding was so bad, locals had to be rescued by boat. Still, having had Joey as a neighbour, they'll be used to the odd eruptive disturbance.

WORDS: PETE CASHMORE PHOTOS: PA PHOTOS

in the local pool

The new river tour
needed a rethink

Water: the facts!

- Many UK water pipes are over 100 years old and made of cast iron, meaning they're prone to eruptions like this.
- There are 20,000 miles of mains pipes under the London area alone.
- A similar event caused a mudslide near Gatwick Airport in August, disrupting 80,000 passengers.
- A computer system has been developed to detect tiny leaks in a bid to make incidents like this a thing of the past.

"That's the last

Magnificent 732bhp Merc!

Brilliant Bavarian tuner Mansory gives the SLS AMG a not-so-subtle nip and tuck!

- You might think there's nothing much wrong with a brand-new Mercedes SLS AMG. It's not exactly a Fiat Tipo, after all. But if you did think that, it would mean you're not one of the boffins at ace German tuning company Mansory, who clearly took one look at the car and thought, "Pah! We can make that oodles better! Oodles!"
- Besides having horny gullwing doors, the SLS was always fast. Bloody fast, actually. 0-62mph in 3.8 seconds and a top speed of 197mph, anyone? Mansory obviously don't find this impressive enough, though. No performance figures have been released into the wild but Mansory mechanics have bolted a supercharger, a sports air filter and new stainless exhaust onto the already snorting 563bhp to increase the lunacy to 732bhp. But it's the hike in torque from 480lb-ft to 609lb-ft that'll really give the driver and passenger a whack to the back like a sledgehammer in the spine.
- Being white, the Mansory SLS disguises its revised carbon fibre body-styling. Mansory's in-house carbon fibre gurus have given the Merc a new bare-weave, vented chin spoiler, front wing intakes, a heavily louvred bonnet and a debadged grille. Cool!
- At the other end, the rear spoiler, rear diffuser and exhaust outlet have all been given carbon detail. The bodysell sits 20mm closer to the tarmac thanks to tweaked suspension. Each corner now has special forged, seven-spoke alloy rims – 9.5 x 20in up front and 11.5 x 21in at the back. Besides looking downright menacing, this also brings the Merc's kerb weight down below its original 1,620kg.
- The innards of the Mansory Merc are where things start to go a tad wrong. Lift the gullwing doors on this demo car and you're greeted by a fairly grim shade of blue leather with white piping throughout, which screams cruise liner rather than race car to us. Nevertheless, you can't fail to be impressed with the carbon fibre centre console, sculpted sports bucket seats and huge infotainment screen.
- To Mansory's credit, they've refrained from fitting some rear spoiler the size of a bungalow and wheels that look like they belong on a Vegas roulette table. We like. We like a lot. Until Merc bring out their £300k-plus 210mph hardcore special "Black Series" version later next year (which they will), this could well be the favourite flavour of glorious Germanic gullwing.

Lee Evans' brand new gags!

On Lewis Hamilton

"Have you noticed Lewis Hamilton doesn't trust his mechanics with his car? Every time he gets out he takes his steering wheel with him."

On going paintballing

"It's a combat sport played with decorating materials. If women played it, they wouldn't be trying to shoot the f**king enemy. They'd be standing there going, 'Don't shoot him with that. That's Tuscan terracotta!'"

On exercise "I tried that cage fighting. Those budgies can be vicious, can't they?"

On feigning injury

"Do you know what'd put a stop to faking football injuries overnight? They should do what they do with the horse racing. If the horse goes down, they shoot the f**ker there on the field."

On running

"I went to buy some running shoes. I said, 'I'm doing a lot of resistance training at the moment. I can't be arsed.'"

On TV adverts

"Adverts on TV all give you a reason to buy stuff. 'Because you're worth it.' 'Because capturing the unexpected matters.' If you're in a shop, you don't need to state a reason to make it easier to buy. You don't walk into a shop to buy some Durex and say to the bloke behind the counter, 'Because capturing the unexpected matters.'"

On car parks "Why do they show the maximum height on the way out of car parks as well? Bit f**king late now, isn't it?"

On darts

"You watch the darts on telly, but the winner never gets a f**king goldfish, does he? Ever won a goldfish at the fair? Ever been to the fish counter at Asda? All fish have the same look, like someone's touched them up."

On the Olympics

"I've worked out how to win more medals in the Olympics. They should have charity collectors scattered on the track with clipboards. It's amazing how much speed we pick up when we see those f**kers."

On HMV

"They've got everything playing at once in there - DVDs, films, music - they've even got their own DJ. I've turned into my dad. All I want to do is switch stuff off. If the fire alarm went off, people would be going, 'Who's this?' 'Fire Alarm.' 'I'll take it.'"

On oysters

"Oysters are supposed to be an aphrodisiac. How did they work that one out? Ever seen an oyster? It looks like Antony Worrall Thompson in the bath!"

On key shops

"Keys and shoes. Who thought of putting those together? Was the first ever key-cutting shop a really long walk away. 'I've walked for days to get these keys cut. Couldn't do my shoes, could you?'"

On birds

"To a bird, every day's one big musical. That's how they communicate. You never get a tone-deaf bird, a bird who sings out of tune. Apart from Cheryl Cole."

On begging

"This bloke came up to me and said, 'Have you got any spare change?' I said, 'No, I've got exactly the right amount. What are the odds on that?'"

On fire escapes

"This bloke came out and went, 'You can't stand there. It's a fire door. If there's a fire, people will be running out of there.' I went, 'If there's a fire, I'll be running away with everyone else, you tw*t.'"

"Hmm, not sure about this shade of nail varnish"

HE'S RUDE, RANTY AND RIOTOUS!

Jim's an award-winning comic from Australia. He likes swearing, and being angry.

"Psychics are all frauds!"

MORNING, YOU absolute b*stards! What's new? I can tell you that audience members at a Dublin gig by American TV psychic Sally Morgan have accused her of being a fraud – they claim they heard voices feeding her information from backstage. Of course she's a fraud! They all are! I've only been to a psychic once and the first thing I said to her was, "Listen, if you could tell the future, you wouldn't live in a f**king caravan! So, how about you tell me what's going to happen in the next three minutes?" "That can't be done," she replied. Then I offered her an extra 50 quid and she said, "OK, sure." She looked into her crystal ball and started screaming uncontrollably, then ran away without telling me what she'd seen! I was pretty upset, I have to tell you. So I ran after her and killed her.

PHOTOS: GETTY IMAGES, ALAMY, CLAY ENOS

"OK, I think I'm ready to go through with the wedding now"

"Let's go to Warrington!"

ONCE AGAIN, your funny little Brit newspapers are getting all excited because a bar in Warrington is offering shots and pints for 10p. Get in! That's a f**kin' bargain! And it's given us all something I never thought I'd see in my lifetime – a reason to go to Warrington. Let's be realistic, the only reason people go to nights like this is to get drunk and get laid, and that's a delicate science. Not drunk enough? She might not f**k you. Too drunk? "She" might turn out to be a "he" – and then he might f**k you. I'll tell you something though, I never thought I'd end up spiking girls' drinks with water.

"Thrown off a plane for lezzing up!"

LEISHA HAILEY, star of lesbo-tastic TV show *The L Word*, got thrown off a plane for kissing her girlfriend. She claims that a flight attendant

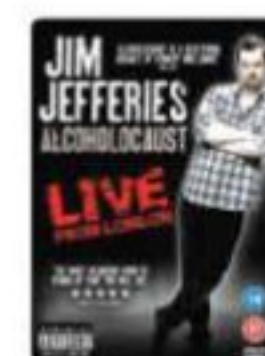

"Mmm, tastes like chicken"

told her to stop because it was "a family airline". To be honest, I don't really want to see any f**ker making out on a plane, straight, gay or whatever. But since when did airlines consider themselves to be especially family-oriented? Does this mean there are adult-only airlines who let you get drunk and f**k each other? I have to tell ya, this Leisha chick isn't a bad sort. I'm not sure what her girlfriend looks like but maybe they weren't kicked off for kissing – maybe it was to stop everyone around them jacking off.

"German man felt a bit of a prick!"

TALKING OF w*nking, one thing I've learned in my time doing this column is that there's no shortage of things stupid men will do to their d*cks. A 32-year-old man in Ghana had to have surgery to remove a 12cm safety pin from his penis. He told the doctor that it slipped in by accident, only to then admit that he actually uses it to masturbate. How? Why? What's wrong with people? Why can't people just w*nk off normally like the rest of us, holding a picture of one of our ex-girlfriends and crying? Until next week, ya f**kers!

SEX ADVICE FROM A FIT LESBIAN!

Because she knows what she's doing and we don't!

DANNI ORSI,
100% REAL
LESBIAN!

You might recognise Danni from hit TV show *Candy Bar Girls* on Channel 5!

I'm worried she'll laugh!

I'm worried about my body. I'm a bit skinny and lanky and not that sexually experienced, but the girl I've been seeing wants to take things to the next level. I'm worried she'll laugh at me. What do you think?

JOSH Stoke

If she wants to take things to the next level, she's already decided your body's OK. There's no need to worry. Relax and just go for it!

I always come too soon!

I've got a real problem with premature ejaculation. I just can't help it. I've tried different things but nothing seems to work. I just get too excited when it comes to getting down to business. I think it's a mental thing. Can you help?

LETTER OF THE WEEK!

I'm scared of sex toys!

My girlfriend wants me to use sex toys on her, which is something I've never done before. Should I feel threatened by this? If not, what do you recommend for guys trying it for the first time?

ROB St Albans

Hi Rob. There's no need to feel threatened. Toys will enhance the experience for both of you and she'll still come back to your d*ck for the grand finale! I think the best thing to try is an American device called a f**ksaw!

I'm not sure. However, I did ask around. There are prescription medicines you can take for this but you'd need to see your doctor. Also, I've heard you could achieve a lot through training your mind. I suggest when you're inside

her, you think of something else, like football or beer. Someone told me clenching your buttocks helps. Give that a go and let me know how it went. I was intrigued in my research to find out how many guys suffer from this problem!

Is my missus a lesbian?

I think my new girlfriend's a lesbian. She's always asking me to dress up in women's clothes and she'll only watch lesbian porn. She says she's just "experimenting" and I should loosen up. Advice, please!

JD via email

You *should* loosen up. Enjoy what's on offer. How do you look in Agent Provocateur lingerie? I've commented in previous weeks that lesbians tend to like straight porn. Read your columns, boys! I'm not one to repeat myself. See you next week!

➔ **THIS IS** the hand of horror belonging to *Nuts* reader Rob Marsh, captured moments after a chop-saw lopped his thumb clean off! The 23-year-old builder from Aberystwyth tells *Nuts*, "I have a dodgy shoulder from a previous accident, so when I went to gently push

some wood under the blade, I slipped and pushed it all the way in. I knew straight away my hand had gone under!"

"There was no pain – just a very weird sensation! I held the stump to stop the jets of blood while me and my dad looked for my thumb," recalls Rob. "I noticed it was wedged in the saw and had actually stopped

the blade. We had to use a screwdriver to lever it out!"

To Rob's amazement, medics were able to get to work on reattaching his digit almost immediately. "I chopped it off at 3pm and they were putting it back on by 7pm."

Two thumbs up for the surgeons, then! Well, one-and-a-half, in any case.

JOKE OF THE WEEK!

Strangers on a train

A MAN and a woman who've never met are in the same sleeping carriage of a train. After some initial awkwardness, they both go to sleep.

In the middle of the night, the woman leans over, wakes the man and says, "Sorry to bother you but I'm awfully cold and I was wondering if you could possibly get me another blanket?"

The man looks at her and, with a glint in his eye, says, "I've got a better idea. Just for tonight, let's pretend we're married!"

"Sounds good!" the woman replies.

"Great," the the man says, "In that case, get your own f**king blanket!"

"Have we got time?" asks the priest.

Dead drunk

AN OLD drunkard named Tommy dies in a fire. The morgue need someone to identify the body so ask for his two best friends to come in.

When they arrive, the mortician pulls the sheet back so they can take a look. "No, it's not Tommy," says the first of his pals.

The mortician thinks this is rather strange so asks the second friend for his opinion. He looks at the body on the slab and says, "He's really badly burnt but I'm sure it's not Tommy."

Puzzled, the mortician asks, "How can you be so sure?"

The friend says, "Tommy had two arseholes."

"Really?" asks the mortician.

"Yes," insists the man. "Whenever they saw him out, people used to say, 'Here comes Tommy with the two arseholes!'"

DANICA

Danica!

Stand back, gents. Things are about to get very, very hot indeed!

34 Nuts

**“There have
been a lot of
sexy girls in
Big Brother
this year!”**

SOME THINGS in life really don't need an explanation. Like, why does Danica only have one name? What happened to her surname? Has she legally dumped it? Can you even do that? Thing is, does anybody really care? We don't and if there's anybody out there who does, then they clearly haven't seen her! And if this is the first time you've clapped eyes on the blonde lovely, then you're in for a real treat!

Hello Danica! What have you been up to lately?

I've been doing lots of work at the gym, loads of running and cycling, and a lot of horse riding as well. I'm a bit of an action woman at the moment!

Who's your favourite person in the whole world right now?

I might have to shock a few people and say Darryn Lyons! You know, Mr Paparazzi from *Celebrity Big Brother* with the mental six-pack. I've been following his career since the show finished and he's ace.

What was the last really good deed you did for someone?

I'm a big fan of sending really nice text messages to people. Like, if there's a person really close to you, you should just send them the odd message to let them know. It's hard to explain but it'll make that person feel quite special!

What really winds you up?

When my friends let me down! Like when they say, "Do you mind if we do tomorrow instead of today?" or, "Do you mind if we swap that time for this time?" It's just annoying!

Would you ever dabble in reality TV?

There have been a lot of sexy girls in *Big Brother* this year. They've got a few models in there, haven't they? At the moment, no, I can't really see myself taking part in one. But never say never. ►

DANICA

“Athletic body, nice boobs and bum... that’s the perfect package!”

What about *I’m a Celebrity, Get Me Out Of Here!*?

That’s more like it! Maybe not for the eating gross stuff like fish eyes, but for the free holiday in Australia and the hands-on activities! I’d be more up for that than festering in some house for eight weeks.

Who’s the sexiest woman on the planet right now?

Elle Macpherson. She’s my idea of absolute perfection. Beauty, lovely personality, athletic body, nice boobs and a nice bum as well! That’s the perfect package, right?

If you were queen for a day, what would you do?

I’d ban wearing animal fur! An animal that gets killed or bred just for the fur is an absolute outrage. I’d even walk around naked for one of those advertising campaigns if it meant I got to save animals.

If you could do any fantasy photo shoot in the world, who or what would it involve?

Me, Elle Macpherson, Gisele Bündchen and Marisa Miller, all together on a beach in bikinis. That would be my dream day. Plus, that would probably be the best-selling issue of *Nuts* ever. Probably!

Indeed! What one song in the world can you not resist having a good old boogie to?

Rockstar by Nickelback. The one that goes, “Cos we all just wanna be big rockstars, and live in hilltop houses, drivin’ 15 cars! The girls come easy and the drugs come cheap, we’ll all stay skinny ’cos we just won’t eat.”

Wow, that’s impressive singing! Thanks, Danica. Finally, then, what advice would you give to our readers if they wanted to impress you?

Money and flash cars really don’t impress me at all. Just treat me really nice and with respect! A lot of people say you’ve got to treat them mean to keep them keen, but I don’t play games!

**“Money
and flash
cars don’t

Lee says: "Omelette's on a strict diet, just 38,000 calories every half day. It's dropping off him nicely."

Lee says: "When you bang a bird, you can't just say you've banged a bird. Youz got to actually comes up with the proof!"

"I've Killed a man from 1,000 metres away"

James Cartwright*, a highly trained and deadly British Army sniper, talks exclusively to *Nuts* about taking on the Taliban in their own back yard...

James.
When you first went out "in the field" as a sniper, how did you feel?

Confident. The training's tougher than standard Army training. You have to run faster and shoot better. Only two or three people from about an initial 30 make it.

What did you feel after your first kill?

Nothing, except that I'd done my job well. Certain thoughts can occur when you realise the man you've shot is someone's son and maybe someone's father, but if I lost my concentration and a member of my team got killed, that's when real guilt would kick in.

How do you cope knowing you're the last person who'll see your target alive?

It's not something that you can think about. If you think like that, you might lose your concentration and endanger the lives of your fellow men.

Is there psychological pressure?

Yes. When I left the Army I was a van driver for a while. About a year on,

a stone bounced against my

windscreen and it brought it all back. I started seeing silhouettes out of the corner of my eyes, I couldn't sleep and had flashbacks. I was diagnosed with post-traumatic stress disorder.

Do you ever build up any sort of relationship with your target?

No. In Afghanistan, you're never tracking somebody for days. You see the man and take him out. When we were training, though, we'd have to spend 48 hours just waiting it out.

Can you describe an actual mission?

In Helmand in 2007, I was supporting a rifle company. We were in some bushes, looking onto some poppy

fields, where it looked like five guys were tending crops. They suddenly rolled over a pile of poppies to reveal AK-47s and RPGs and began a rear ambush. On the count of five, our team fired and all five men went down.

Do you get a call about a target and go to the location or hunt the target down?

If we were in a defensive role, our job was to go to where the enemy's engaged. The Taliban are very good at knowing where you are, so often we were being reactive rather than proactive. The situation can change quickly. Often our mission would change because of a Taliban ambush.

How do you guys move around?

We're trained to travel at night, but in Afghanistan, the situation changes so frequently that we often travelled during the day. Often, we were embedded with a platoon, though, which made us harder to identify. It was simply considered too unsafe for snipers to travel independently.

Do you work in pairs with a "spotter" and how close do you become?

We're always in pairs with a spotter. With the 1st Battalion Royal Anglian there were two snipers and two spotters. You become extremely close.

Are you left on your own to do your job then make your way back alone?

There's always a plan – you'd never leave somebody completely on their own if the situation got out of hand.

What's the hardest shot you've made?

I shot a Taliban from a kilometre once. I was in a village in Helmand with my L-96 rifle and there were two or three of them near a building. I couldn't believe it when I got the man from 1,000 metres. That felt good. **X**

Only two or three from 30 make the grade as a sniper

James on sniper training

SHOOTING

"We'd need to be able to do a first-round hit at anything from a range of 100 metres to 900 metres in training to qualify as a sniper."

MAP READING

"Difficult. We'd be dropped off in the middle of nowhere with just a compass and a map, and have to pinpoint in ten minutes where we were on the map."

JUDGING DISTANCE

"We'd have to sit in a line and spot ten targets in front of us, which were at varying distances. Using our optics and judging the height of the targets, we'd have to work out their distance from us."

STALKING

"We'd have to get within either 100 or 300 metres of two snipers who'd be looking out for us. The aim was to get to there and shoot without the other snipers spotting us, then make it back to the starting position."

NIGHT NAVIGATION

"The toughest one. We'd be dropped off in the middle of nowhere at night and, in pitch darkness, have three hours to get to eight different checkpoints over a distance of seven miles. Gruelling."

See Jessica-Jane and co pulling scams in *The Real Hustle* on BBC3, 8.30pm every Monday.

EXCLUSIVE!

Jessica-Jane Clement!

The Real Hustle stunner gives us an exclusive peek at her 2012 calendar shoot!

**“I just do
what feels
sexy and the
photographer
clicks away!”**

F RUMOURS are to be believed, the world is set to come to an apocalyptic end in 2012! So, what better way to count down your final days than with the ever-awesome Jessica-Jane Clement? The stunning star of *The Real Hustle* has put the finishing touches to her 2012 calendar, and let *Nuts* pop along to the shoot for a sneaky glimpse. Having seen the pics, we're sending a polite email to God asking if the whole "end of the world" thing can wait until 2013. Cheers, mate!

Hi Jessica! How much fun was it shooting your 2012 calendar?

Hello! It was so much fun! We shot it in a big, posh house in central London. Everything in the house is white and I've brought my puppy, Knickers, who's also white! I keep losing her and having to follow the trail of wee to find her!

What can *Nuts* readers expect from your 2012 calendar?

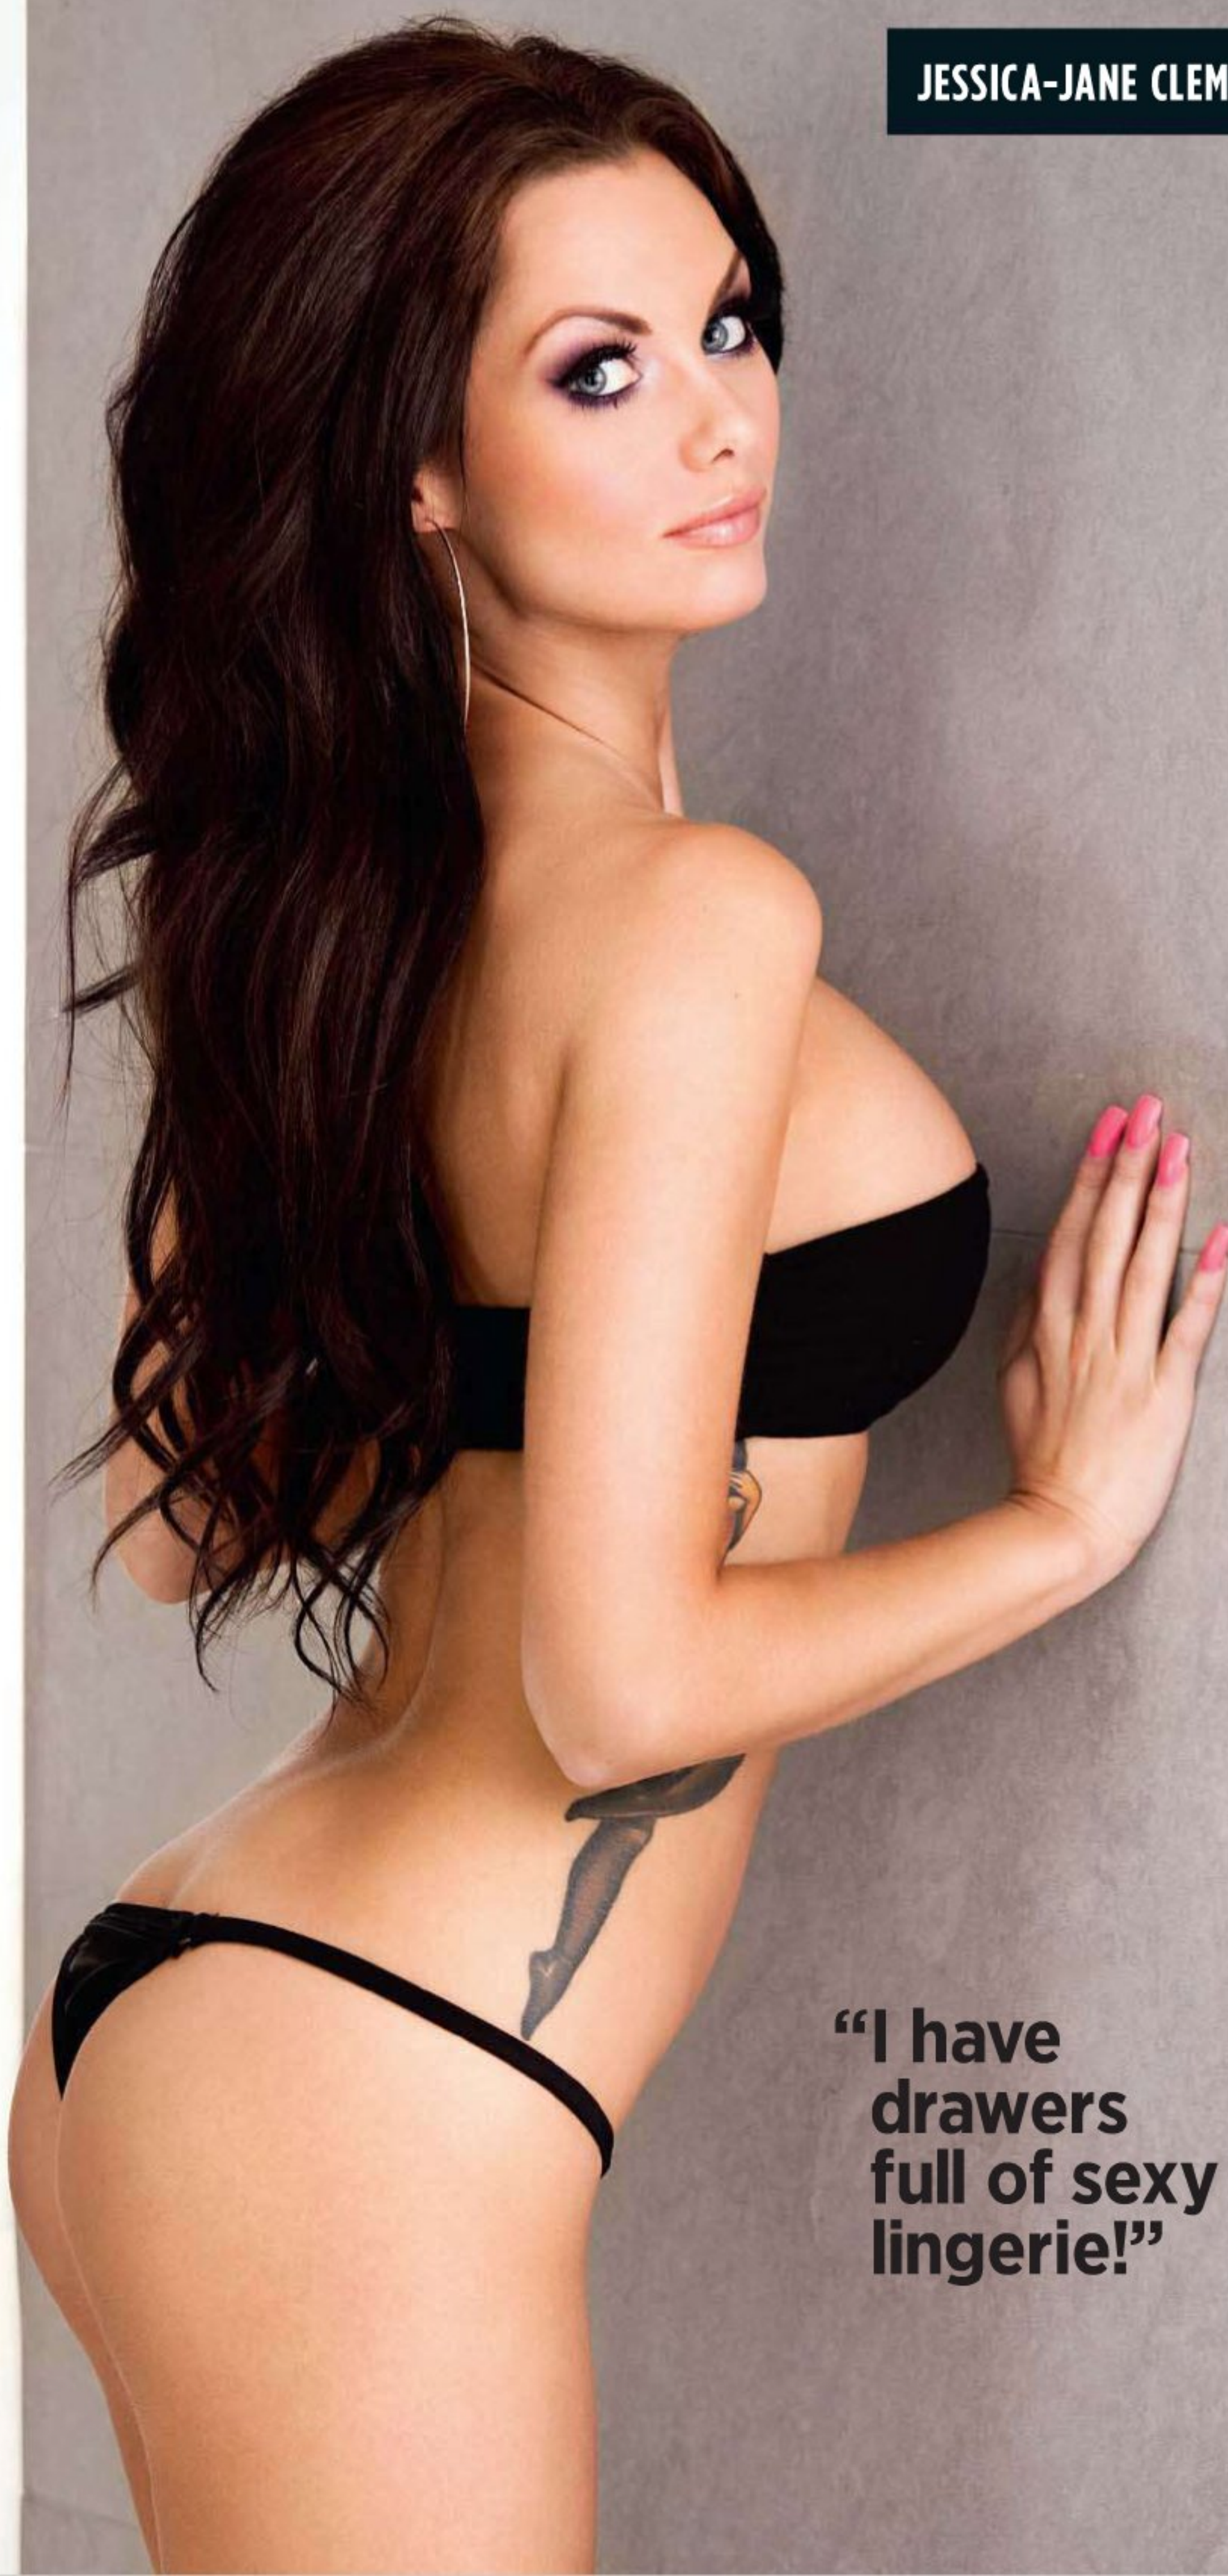

It's all about big hair and skimpy outfits – like most of my shoots! We were inspired by all of the scandals going on involving footballers and stuff, so we did some funny poses on a football table!

How much say do you have in picking the sexy stuff like the poses and the undies?

For this shoot, all the clothes are my own. I have drawers filled with sexy lingerie and bikinis that I've built up over the years, so my collection's pretty impressive! As for poses, I just do what feels sexy and the photographer clicks away!

Do you ever have any excitable thoughts on a shoot like this?

I have an array of different thoughts – mainly unprintable! Ha-ha! But mostly I just think about stuff like what I'm going to eat for dinner, where I can go out and show off my make-up later, if I can keep the eyelashes, which side shall I part my hair, what pic shall I tweet from the shoot... ►

“I have drawers full of sexy lingerie!”

JESSICA-JANE CLEMENT

Is it hard trying to look extra sexy for the whole day?

I always feel sexy! If you feel silly, you look silly. I've been modelling for eight years now, so I'm pretty confident when it comes to posing for photos in my underwear.

Which is your favourite pic?

I love the shot at the football table, mainly because I love my yellow jacket. It has an American cheerleader feel. I'd love to do a shoot as a cheerleader, though it'd be hard not to make it look like something out of a low-budget porn movie! I also loved sporting my black bikini. I bought it from a Brazilian bikini shop, so it's tiny. I'm really petite, so the skimpier the better. I always wear G-string bikinis on holiday!

If you could banish a month, which one would it be?

I wouldn't ever want to banish a month. Life's too short, so I'd add a month! An extra picture in my calendar would be great because I had so many favourites from this shoot. We could call it Jessuary!

Has 2011 been good for you?

It's been a great year. I've done two series of *The Real Hustle*, my own beauty show on BBC3, got two little puppies and done loads of sexy shoots!

What's the most ridiculous thing you've heard about yourself this year?

There's a website that claims I don't exist! Apparently, I'm some computer-generated image. I can assure everyone I'm 100 per cent real. Well, apart from my hair extensions, and nails, of course.

What was the last thing that really tickled your ribs?

I was having a conversation about black widow spiders and how they kill the male after sex. This led on to discussing what it would be like if humans were like that, and how you could only have sex with men you didn't really fancy! ►

**"I always
wear a tiny
G-string
bikini on
holiday!"**

**“I flashed my
knickers at
the window
cleaner!”**

Er, moving on, what really annoys you about blokes?

Men never tell you when your hair or make-up needs fixing! The director for my new beauty show is the worst. I say, "Dave, does my make-up need doing?" and he always says "No, it's fine". Then when I look in the mirror, I'll have lipstick on my teeth and messy hair. Men, be more observant!

Have you enjoyed working with the lovely Polly Parsons?

It's been great having another girl on *The Real Hustle*. I've been filming with blokes since I was 19, but Polly's lovely and so hot! It's such a great show, although I do get stopped quite a lot now. A security guard set off the store alarm on purpose once. I was mortified!

If you could direct your ideal shoot what would it be like?

It would have to be in Vegas! I'd dress up as a showgirl, *Playboy* bunny and burlesque dancer. I'd tour Vegas shooting in every hotel. That has to be my next calendar, I think!

Who has more fun on shoots – you or the photographer?

We all have a great time – it's like one big party! We crank the music up and order pizza for lunch. I've never had a shoot that I didn't enjoy! On the last shoot I did, there was a window cleaner who seemed to be spending a super long time on the window to my changing room, so I kept flashing my knickers at him!

Thanks for the chat, Jess. Finally, what does 2012 have in store for you – assuming the world doesn't end?

I'm moving to Ibiza! I'm looking for the perfect villa. I'm getting a three-bedroom so all my friends and family can come over. I'm going to do so many shoots out there, so you're all welcome to come and see me do my sexy thing in another country! ❌

Transformers: Revenge Of The Fallen

CHANNEL 4/HD • 6.10pm

It stars Megan Fox and Isabel Lucas, but it also has a really misguided plot, and it's too long. Nevertheless, it's still got amazing CGI robots kicking the nuts and bolts out of each other!

★★★★★

Darts

SKY SPORTS 1/HD • 7pm

It's the World Grand Prix final from Dublin. With last year's semi-finals the scene of a sporting miracle, namely Adrian Lewis beating Phil Taylor, all that stood between Lewis and glory was James Wade. He blew it, leaving Wade to pick up the title. Similarly unpredictable this year? Don't be daft – bound to be the Power, isn't it?

Fighting On The Frontline

CHANNEL 4/HD • 9pm

If you're a *Nuts* reader (and you are, because you're reading this) you'll have the utmost respect for the boys and girls of our nation's Armed Forces. This superb docu, concluding tonight, has been following some during a tour of duty in Afghanistan.

SKY1/HD • 8pm

What do you do when you travel back to the prehistoric era to set up a new home for yourself among dinosaurs? Well, you build your camp with a bloody big wall around it for starters! But what about those pesky pterosaurs that can fly into your camp and pluck your people off one by one? Center Parcs dome, anyone?

This Is Jinsy

SKY ATLANTIC/HD • 10.15pm

Winter arrives on Jinsy and the weirdness is cranked up as one of the island's residents dies during a meat quiz, which means Arbiter Maven has to abandon his favourite boardgame and head out in a snowstorm to recycle her nameworm. Probably best not to try to understand what's going on, just sit back and enjoy the fun.

★★★

Never Mind The Buzzcocks

BBC2 • 10pm

Portly Phill Jupitus and peculiar Noel Fielding are the team captains, but your guess is as good as ours as to who'll be the host in this new episode of the terrific music quiz. Let's hope that whoever it is can live up to the standards of the Hoff last week!

Skyline

SKY MOVIES PREMIERE/HD • 10pm

A bunch of residents of a Los Angeles apartment block are thrown together in a life-or-death struggle when alien spacecraft appear and start sucking up humans for, one presumes, a not very pleasant life-ending experience. The acting's dreadful, the script's a stinker but the effects are brilliant as the nasty aliens get murderous.

Blue Bloods

SKY ATLANTIC/HD • 10pm

Tonight, Danny (Donnie Wahlberg), accidentally shoots a fellow cop who failed to identify himself, ends up in front of internal affairs because of it, then gets placed on modified assignment. Blimey, this sounds almost as catastrophic as being a founding member of a rubbish '80s boy band! Not quite, though.

★★★

True Blood

CHANNEL 4/HD • 11.10pm

Vampire Franklin is without doubt the most mentally unhinged, pointy-toothed undead we've had the pleasure of seeing on our TV screens. And, lucky for Tara, he thinks he's in love with her! Eric spots something of importance at King Russell's manor that leads to vengeance and Sookie finds her magic spark once again.

Sons Of Anarchy

SUSA • 10pm

Everything comes to an almighty walloping head in the series closer. Jax wants Jimmy O and he wants him bad – after all, he did kidnap Jax's kid. The Sons discover the Russians have him and will trade Jimmy for a heap of cash. Then there's Jax's dodgy deal with Agent Stahl, Gemma handing herself in, and help from Unser.

CHANNEL 4/HD • 10pm

Those people behind *Peep Show* are talented chaps. Not only have they followed up the class flatmates sitcom with something approaching those levels of brilliance, they've managed it with unlikely star of the show Jack Whitehall and *Inbetweeners* fave, Joe Thomas. Here, Kingsley (Thomas) confesses to Josie he's a virgin.

★★★★

Apocalypto

BBC3 • 10pm

Before Mel Gibson started calling people names (Sugart*ts! What kind of an insult is that? Sounds rather endearing to us), he made this. OK, it's subtitled and set in AD 1500, but it's edge-of-the-seat stuff as we follow a Mayan hunter and his escape from some brutal warriors out to offer him up as a human sacrifice.

Let Me In

SKY MOVIES PREMIERE/HD • 8pm

A remake of a fantastic Swedish film, this dark tale about 12-year-old Owen and his peculiar new neighbour will leave you awestruck as the horror unfolds. Bullied kid Owen befriends new local girl Abby, who it turns out has a shocking secret. An incredible mix of horror and chills with a truly touching plot to boot.

★★★★★

House

SKY1/HD • 10pm

It doesn't seem to matter what House does, he gets away with everything, as we see here when he returns to Princeton-Plainsboro hospital. He may be "home" but things have changed, including the meek and mild new girl on his team, Dr Park. Thing is, for House to save his current patient, he'll have to break the rules. Again.

ITV2/HD • 10pm

The guests might not be up to much tonight (Fatboy from *EastEnders*? Non-hot people from *Corrie* and *Hollyoaks*? There are also very hot team captains Holly Willoughby and Fearne Cotton, so you won't catch us complaining much.

Nuts gambling masterclass!

A host of top tips to help you play Deal or No Deal!

➔ **YOU MAY** think Deal or No Deal is a game for those who believe in "systems". Well, the TV show might be, but the multi-line slot isn't!

You can win big from the comfort of your own home for as little as 5p, and if you play on all lines, you could win a progressive jackpot. One recent Nuts Games winner bagged himself £229,776!

How to play

- The aim is to get winning symbol combinations from each spin of the reels, with the ultimate target being the progressive jackpot.
- You can select up to 20p on each of the 20 pay lines. That gives you up to 20 chances to win on each play!
- The progressive jackpot can only be won on the Deal or No Deal bonus game, but there are also two other fun bonus games called Banker's Offer and Mystery Box Bonus, where you can win some extra cash.

GET UP TO £200 FREE PLAY!*

The number lines

It's all self-explanatory – click the number beside the reels, or the "Bet One" or "Bet Max" button. Choose Bet Max for the chance to play the bonus game and win the biggest jackpots!

Bonus game

If you bet on all 20 pay lines and you get three Deal or No Deal bonus symbols on any pay line, the bonus game begins – this plays like the TV show, with the big progressive jackpot at stake. Don't be too greedy or, like us, you could end up with £8 instead of £100!

Plus win up to £10k!

Play three games for the price of one with **Deal or No Deal Scratchcard**. Play from the comfort of your home for £1 for your chance to win!

CONFESSION OF THE WEEK!

'He pulled my wet hair'

MY BOYFRIEND and I were at a friend's hot tub party one night. After a while, I was feeling sleepy, so I rested my head on his shoulder with my hand on his leg. He went quiet and I felt something hard creeping up near my hand. I slowly rubbed his shaft and before long, he pulled aside my bikini bottoms and started teasing my clit. We made an excuse to get out of the tub and went into the garage, where he penetrated me hard and fast. Half an hour later, we staggered out of the garage, out of breath and red-faced!

Laura via email

'He sucked my nipples'

I WAS working up a sweat at the gym when I noticed a hot guy staring at me across the room. I gave him a cheeky wink as I left to shower and he followed

me out. As there was no one around, I pulled him into the girls' changing rooms and straight into a shower cubicle, where he ripped off my clothes and pushed me straight up against the wall. His hands were all over my soaking wet body and I had to bite his neck to keep quiet when he slid his

fingers deep inside me. I whipped off his shorts and took his massive erection in my hand. While he sucked on my nipples, I guided him inside me. I didn't care about being quiet and couldn't help but scream as he pounded harder and quicker until I climaxed. I'll definitely be going to the gym more often!

Lucy via email

'I ran my hand up his thigh'

A GUY I'd been seeing invited me over to his house to meet his parents. We sat in the kitchen having a chat and a cup of tea with his folks, but all we really wanted to do was pounce on each other! His parents popped out to get us a takeaway for dinner and as soon as the front door closed, I was kissing him and running my hand up his inner thigh. Soon we were passionately groping each other. I had my legs wrapped around him and he lifted me onto the washing machine. I felt his fingers go inside my skirt and move my knickers aside. Before I knew it, his bulging member was inside me and I was gasping. Before long, we heard his parents' car pull up – we've never put our clothes back on so quickly! His parents didn't suspect a thing, and now I have a new-found fondness for washing machines!

Hayley via email

'I noticed his erection'

LAST MONTH, I was on a flight to Australia with my boyfriend, my sister and her boyfriend. Hours into the flight, everyone but me was asleep with their eye masks on. I couldn't help noticing my boyfriend's erection as he slept, so I decided to wake him with a treat. I jerked him until he was about to come and finished him off with my mouth. Neither my sister next to me nor the stranger opposite had any idea what was going on. The risk of being caught turned me on, so I made my boyfriend return the favour. As he slipped his fingers inside me, I tried not to scream. To this day no one knows, though I think the stewardess had an idea when she saw my boyfriend's bulge and smirked at me!

10 RUDE QUESTIONS!

And a real girl to answer them!

Elle

22 Bristol

1 What's the strangest place you've had sex?

"I don't know about strange, I haven't had sex in a crop circle or anything! The most open place I've done it was a cycle track leading to my boyfriend's house. Properly out in the open!"

2 What's your naughtiest move?

"I like the dominant vibe! I love grabbing the guy's wrists and pinning him down! I always get the shocked and excited look when I do that! I think it's the fact I'm not letting him touch me. It's a real tease!"

3 What turns you on?

"I love a man who smells good. He can look butters but if he smells nice... wow!"

4 What's your favourite position?

"Flat face down on the bed, with the guy flat on top of me! It's just amazing!"

5 Is it better to give or receive?

"Receiving's always better! Guys can be touched on the leg and jizz in their pants but girls need more attention, so who am I to deny the extra action?"

6 What one thing would you really like to try that you haven't yet?

"Swinging! I think it'd be really hot to see my partner with another girl. I don't see how bringing extra people into the bedroom can harm your relationship!"

7 Ever got it on with another girl?

"Hell yeah! I was at my friend's house one night and everyone was having sex, so me and this girl just started getting it on!"

8 What's your favourite role-playing outfit?

"Guys love the schoolteacher fantasy, so dressing up in a shirt, skirt and glasses."

9 Have you ever made a sex tape?

"I've recorded some action on a phone! I wanted to dump the guy but I was worried he'd show everyone! Luckily, his phone broke and everything got wiped!"

10 What's the rudest thing you've done?

"Oh god! I've never licked bumholes or anything – my gag reflex is terrible, so I'd vom! One guy liked me to rub yoghurt all over myself, so that was interesting!"

"I like to pin a guy down and dominate him!"

ENGLAND SPECIAL!

Young: 'Me and Roo will get better and better!'

United stars ahead of England's crunch clash with Montenegro!

Hi Ashley! You've suddenly become the main man for

Man United and England.

How did that happen?

I'm really enjoying myself. I was determined when I came to United that I'd work hard, but also try to do things with a smile on my face and it seems to be paying off. The England side of things would just fall into place once I'd settled into United. To be honest, I can't stop smiling!

Footballers get a lot of stick because of the money they earn and some of the negative headlines they create. What motivates you?

Just playing football. I live, eat, breathe for the thing. Of course the rewards are great but if it all went away, I'd still play football just for fun. It's the best game in the world.

How important is having Wayne Rooney as a team-mate for both club and country?

Massively. Wayne's one of the best players on the planet, so it's a privilege to play alongside him. He sees the game so quickly, he can drop deep and play a killer pass or operate right up top. There's so much more to his game than just goals. We've struck up a decent relationship where one knows what the other's doing. I'm sure we'll get better and better.

What's it like to be part of this exciting young generation of breakthrough talent?

I'm not sure age has a lot to do with it. Good players are good players, however old they are. But yeah, there are some good young players knocking about at the minute. Both managers have said they'll pick players on form, not reputation and they've seen it through. For England, in particular, it can be daunting coming into a dressing room with so many big names, but everyone's always very welcoming.

Fabio Capello's gone on record saying he's been impressed with your performances.

That's great to hear because he's the man making the decisions, but I can honestly

say I'll just get on with doing my job. I'm massively ambitious and like to think I'm confident every time I go on the pitch. Thankfully, things are going well and even more confidence is flowing – that can only help.

There's a big game coming up against Montenegro.

We only need a point to ensure qualification, but we'll be going for a win. We should be entering every game with that mind-set. To finish in style would be great for our supporters who've stuck by us in good times and bad.

And, finally, assuming qualification is sealed, what can England do in Poland and Ukraine next year?

We've got a great mix of talent and there's a real freshness about the place. We can grind out results even if we're not playing well, which is always going to stand you in good stead in tournament football. We'll be positive and try to play with a smile on our faces – I know I certainly will!

● Montenegro vs England is on Friday at 8pm on Sky Sports 1

BOY RACERS!

Young played school football alongside F1 ace Lewis Hamilton, who was in the same year.

"Careful, Ash.
You nearly
scared me!"

ROCK SOLID!

Phil Jones: 'England doesn't scare me!'

The star on his dream start to the season!

**Hi Phil! How does it
feel to be regarded
as one of English**

football's hottest new talents?

I try not to listen that much about what I do or don't do, or how people think I'm performing. It's what my team-mates and my manager think that counts. But having said that, to be honest, I'm delighted by how things have gone. Bit of a dream, really!

**You've certainly made
a name for yourself in a short
space of time.**

I think it's forgotten that I played for a Premier League club last season

[Blackburn] so I'm not completely new! I guess I've just been lucky with the start to this season and the profile I've suddenly got being a Man United player.

**Finally, how much do you
think you can achieve on the
international stage?**

I'm in no hurry. I'm only a young lad, so there's plenty of time. What I can say is that I won't be intimidated or frightened about playing for England. I've had experience at Under-21s and enjoyed every minute. I'm ambitious and have faith in my ability so let's see where that takes me.

PACE ACE!

"Hey, Jonesy!
Look at how white
my teeth are!"

KAMMY!

He's the voice of the fans – and he's only in *Nuts*!

"Mancini's soooo mean to me. And he smells"

"Ooh, my back's gone!"

Tevez should rot in the reserves!

City have the financial clout to take a stand!

➔ **LIKE MOST** people, I was disgusted with Carlos Tevez's refusal to play for Man City against Bayern Munich in their Champions League tie last week.

His behaviour was disgraceful and showed a complete lack of respect to his manager, to his teammates and to the fans. Roberto Mancini has done

everything to try to make Tevez happy in Manchester, giving him a new deal and letting him go home to see his family, and this is how he repays him. Shocking!

From a football point of view, it was an awful waste of talent. City were only two goals down and there were over 30 minutes to go! Just look what happened at Old Trafford with Basel. Tevez

is a world-class player and could've changed the game.

City are in powerful financial position so they could afford to take a stand and let the Argentine rot in the reserves, not to mention taking him to court for breach of contract.

This would never have happened in my day – we all wanted the appearance money too much!

Lampard's not past it!

THERE'S BEEN a lot of nonsense in the press about Frank Lampard recently. He isn't getting much first-team action at the moment, but class is permanent and Frank's been a superb player for Chelsea and England. He isn't suddenly "past it" over night!

He may be 33, but he has a superb passing range and weighs in with more than enough goals to justify a starting place. It could be that he's getting a bit stale at the Bridge. He's been there a long time and when a new manager comes in, they can have different ideas. But I'm sure if Frank moved on, he'd be a fantastic signing for anyone. In fact, I could see him fitting in at White Hart Lane, playing for Uncle Harry!

KAMMY'S UNBELIEVABLE-OMETER™

UNBELIEVABLY GOOD!

YOUNG GUNNER!
Alex Oxlade-Chamberlain became the youngest Englishman in Arsenal's history to score in the Champions League. I'm really pleased for him. This boy's got real talent!

UNBELIEVABLY BAD!

POOR STEVE!
I feel for Steve McClaren over at Notts Forest. The results haven't been great so far, but the situation at the City Ground is far from ideal. He needs some backing.

THE BIG MATCH!

Ball dismissed claims he was an England fan

Carlos becomes a manager!

I SEE Roberto Carlos has taken over the reigns at mega-money Russian club Anzhi Makhachkala. Bit of a shame, as Fabio Capello had been linked to the job – it would've been the perfect excuse to get rid of him! Roberto's an absolute legend and just the sort of appointment they need to take the club forward. Mind you, if they're paying the likes of Samuel Eto'o £300k a week, they shouldn't have any trouble attracting quality players. I might even be tempted to make a comeback!

"Hey, I also asked for a woolly hat"

Montenegro vs England

7 OCT, 8PM • SKY SPORTS 1

I'm sure they will anyway, but England have to go for a win. A draw would see the boys qualify, but Fabio Capello really needs all three points to keep the press off his back! I fully expect the team to be celebrating come Friday night and starting to think about lifting the Euro 2012 trophy!

KAMMY'S PREDICTION: 0-2

Key man

England will hope Wayne Rooney is fit. He's the heartbeat of Man United and England and they just aren't the same without him!

Welbeck is wonderful!

DANNY WELBECK is in top form at the moment. I'm not sure how Berbatov's feeling about things, though. Top scorer last season, he can't get near the team – except when they need an emergency centre-back!

"Cheers for the plug, Kammy. The tenner's in the post!"

HONOR DILLON

Former Kiwi hockey player Honor is engaged to All Blacks legend Dan Carter. Therefore, any kids they have may well become the greatest sport stars ever!

LUCIE SILVAS

Singer-songwriter Lucie is shacked up with husband-to-be and Irish full-back Geordan Murphy. Yes, another man in green going out with a stunner.

Rugby World Cup WAGs!

Egg-chasers prove footballers aren't the only ones who get to date the hottest babes!

WE'VE LOVED

the Rugby World Cup so far. Not only have we been lucky enough to witness some top-notch tries, bone-crunching tackles and truly impressive facial hair, we've also spent a rather large amount of time eyeing up the multitude of gorgeous WAGs on show! This year's

tournament has provided us with a boatload of lovelies to ogle, from actresses to Olympic gold medalists, pop stars, Wonderbra models and even the current Miss Europe. So we've picked out the fittest wives and girlfriends currently supporting their big burly men over in New Zealand!

STUNNERS!

AMY HUBERMAN

Actress Amy is married to twinkle-toed Ireland captain Brian O'Driscoll. Talk about luck of the Irish! The whole squad seems to have lovelies on their arm!

LUCIE JONES

Welsh flyer Leigh Halfpenny's the lucky lad who's managed to bag former *X Factor* contestant and one-time Wonderbra model Lucie. Scrum down!

**UNA HEALY**

Saturdays babe Una's been dating England star Ben Foden for two years. She's done much better than bandmate Frankie Sandford. Wayne Bridge? Pah!

**SHE'S HOT!****SUSIE AMY**

Actress Susie used to be in *Footballers' Wives*, now she's a rugby player's girlfriend. Irish full-back Rob Kearney's, to be precise! Lucky old him, eh?

**STEPHANIE RICE**

Aussie swimmer Stephanie has three Olympic gold medals and a world record to her name. She also has her very own Wallaby, fly-half Quade Cooper!

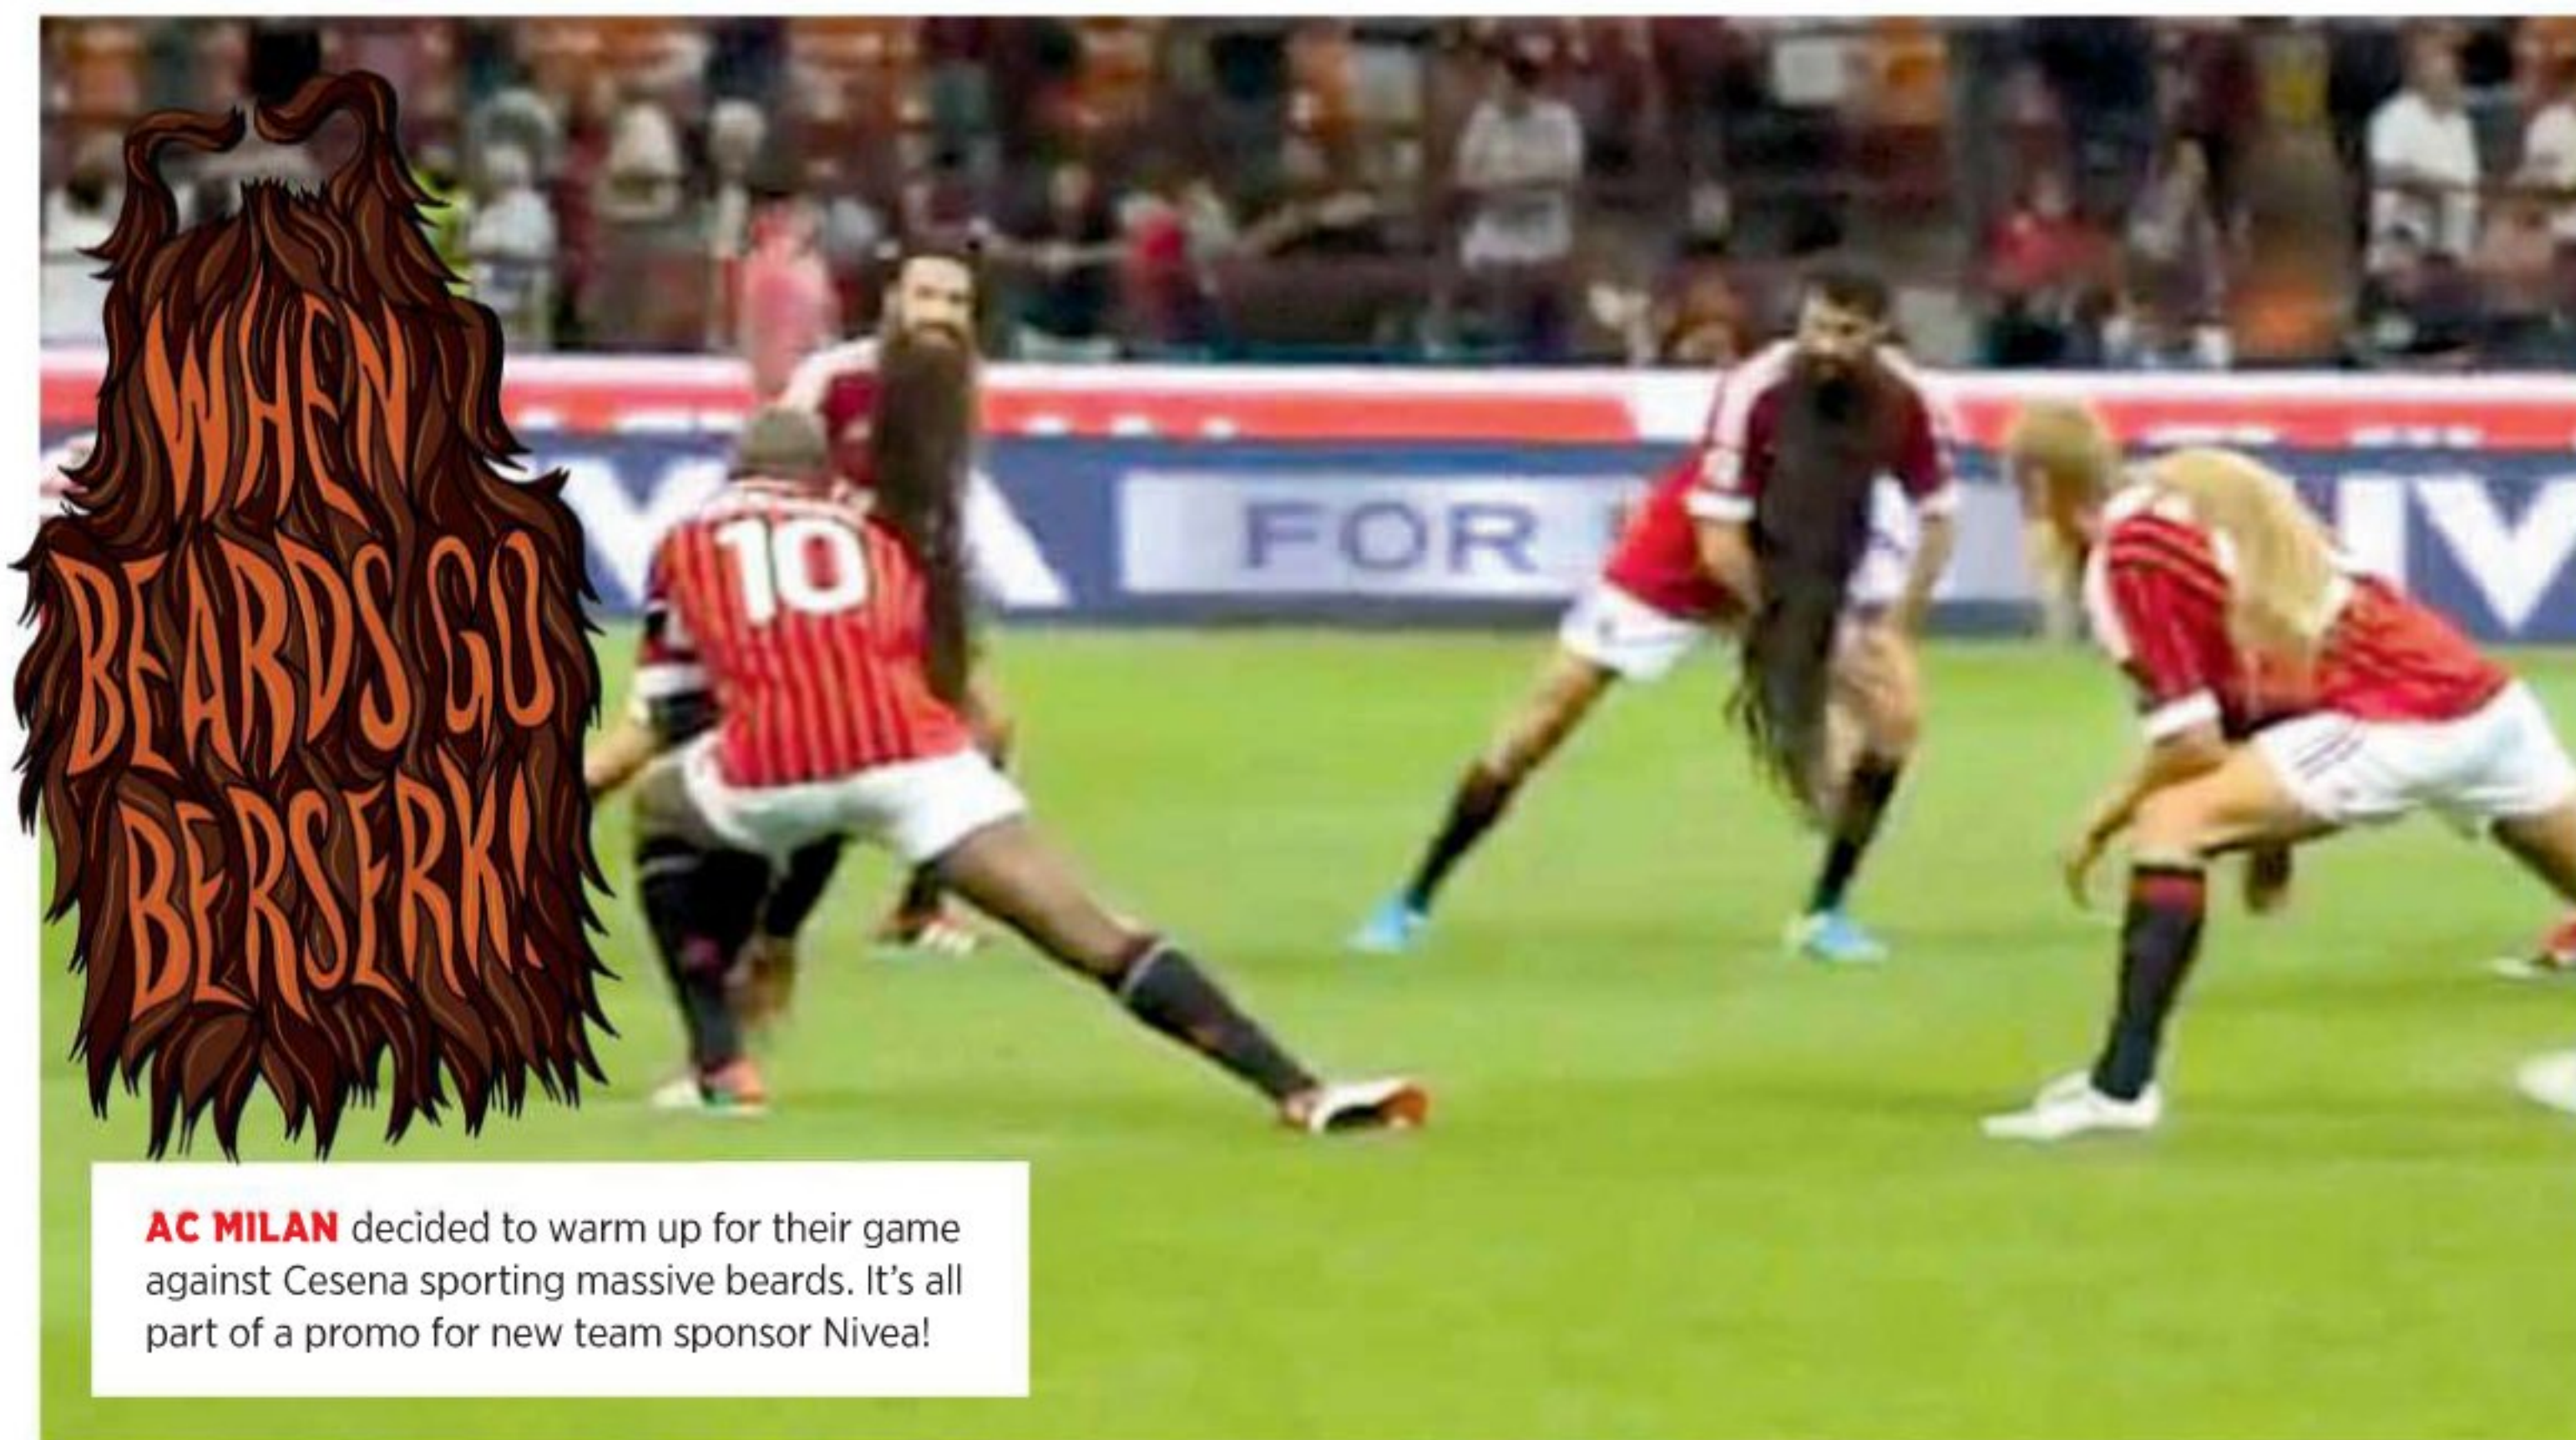

**ALEXANDRA ROSENFELD**

Former Miss France and reigning Miss Europe Alexandra is married to Italy captain Sergio Parisse. It's fair to say he's done very well for himself indeed!

Ice Hockey's as much about fighting as it is scoring goals. And Vancouver Canucks' **ANTOINE ROUSSEL** certainly agrees. Here he is, planting one on San Jose Sharks' Douglas Murray! Ouch!

Female **AMERICAN RUGBY FANS** are few and far between. Shame, really, as they look like lovely girls. We'd certainly like to take them up on their offer!

Oh **MARIO BALOTELLI**! This page wouldn't be the same without you. Here's the Man City loon shopping in Milan. Probably for more daft caps and trainers!

Vettel: 'Winning is everything!'

German F1 ace on the verge of another title!

➔ **Hi Sebastian! How does it feel to be a single point away from winning your second straight Formula One title?**

We're in a great position, which has come from a lot of hard work on the track and in the garage. Japan's another race where we, as a team, have to be at our best. We'll be going out to win, just like every other race.

What will be key to winning in Japan?

Staying cool and not getting too far ahead of ourselves. There'll be plenty of time for talking – and hopefully, celebrating – after the race! The car works perfectly, so I'm confident we can achieve something this weekend.

If you do win the title, how will it compare to last year?

Last year was special but as it was so new, it took time to fully understand what had happened. When you work hard for something and then it arrives, sometimes, there's a bit of a shock. Hopefully, I'll be able to immediately enjoy the sensations if it happens this year.

What's left for you to achieve in your F1 career?

I'm young but that gives me hunger to keep going, to win Grand Prix races and make a long-lasting impact on the sport. I always like to do things quickly and in less time. I guess this is what makes me a racing driver.

Do racing drivers have to be selfish to succeed?

Selfish? Maybe. Extremely focused is probably a better way of saying it! I know I'm only one part of a machine. However, drivers put their lives on the line all in the desire to be number one, so there has to be an inner obsession to push on.

Yet you seem relaxed. Has that helped in your career?

I've always wanted to race but I like to think I've had some perspective. Winning's everything in sport. I'm committed as anyone – but health and the ability to appreciate the things and the people outside racing is important also.

Being a multimillionaire must help, too.

Money's great, it allows you to do amazing things, but being an F1 driver is not about this. The emotion that comes from winning a race and seeing your team-mates overjoyed is what stays with you forever.
